SUMMARY OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

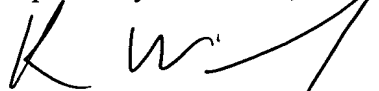

Sir:

Applicants' representative conducted an interview in connection with the above-referenced application with Examiner Khan on April 8, 2009. Applicants thank Examiner Khan for the courtesies extended to Applicants' representative.

During the personal interview, Applicants' representative presented arguments based on the Remarks and claim amendments in the March 5, 2009 Amendment. In particular, Applicants' representative inquired as to the Examiner's position in response to the remarks and claim amendment regarding claims 34, 67 and 69. Examiner Khan indicated that amended claim 34 appears to overcome the rejection over U.S. Patent No. 5,949,352 to

Ferrari, and that the Examiner will further review the remaining applied references after the completion of the personal interview. No agreement was reached regarding added claims 67 and 69.

Respectfully submitted,
